

ARYA
RESOURCES

Strategic Exploration in Saskatchewan

Factsheet | February 2026

TSXV: **RBZ**

Arya Resources Ltd. (TSXV: RBZ) is a publicly traded mining exploration and development company.

The company's founder and directors have experience working on some of the world's largest metal projects in several continents.

Mission & Vision: Arya Resources is committed to being part of the global solution to the accelerating demand for critical and precious metals. Our mission is to generate long-term value through strategic mineral discoveries, leveraging advanced scientific exploration methods and modern technologies. Led by a well-connected management team with strong ties to the mining industry and capital markets, Arya is positioned for sustained growth. The Company began trading on the TSX Venture Exchange in December 2022 under the symbol RBZ.

Why Invest in Arya Resources?

Strong Leadership: Experienced management with a proven track record in exploration and development in Saskatchewan, across Canada, the USA, and South America.

Market Position: Low share float and strong insider ownership.

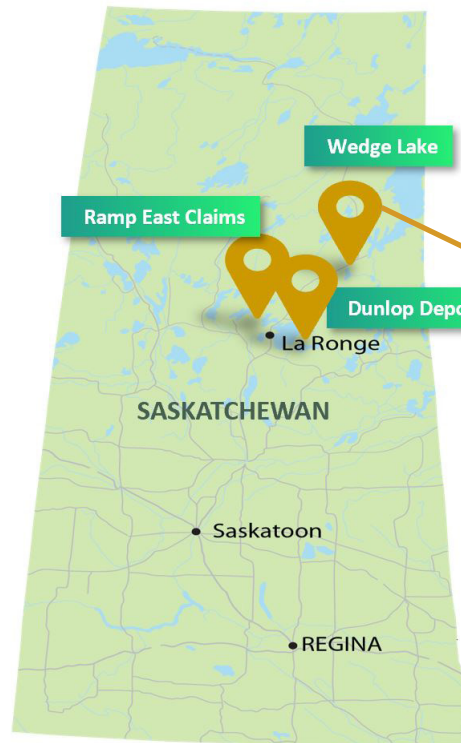

High-Potential Projects: Gold and silver focus with exposure to copper, nickel, and cobalt in a mining-friendly jurisdiction.

Previous Development: Historical work at Wedge Lake and Dunlop confirms resource potential.

Greenfields Opportunity: Newly acquired claims next to Wedge Lake, Ramp East and Dunlop provide Greenfield discovery opportunities.

Expansion Plans: Aggressive exploration, land acquisitions, and growth strategy.

Current Work Programs: Financing initiated to fund expanded drill program.
